

Drysdale Soccer Club Code of Conduct

DSC has developed this Code of Conduct to ensure that its culture and values are adhered to at all times, by all members.

The below guidelines form the foundation of the Code and should be adhered to both while participating in club activities and in the general community.

1. Display appropriate behaviour at all times, in particular, behaviour must be in accordance with the Football Federation Victoria Code of Conduct and the club's culture and values.
2. Show integrity, self-respect, and respect the rights of others.
3. Do not discriminate or demonstrate discriminatory behaviour towards others. Discrimination means the unjust or prejudicial treatment of different categories of people, especially on the grounds of race, age, or sex.
4. Exhibit no harassment of any kind, applicable to all interactions, including electronic and online communications. Harassment includes but is not limited to sexual harassment or any unwelcome sexual attention.
5. Be committed to the club. Commitment involves attending training, games and functions, punctually and prepared.
6. Communicate. In particular, notify coaches, players, parents, and any relevant members of unavailability or changes relating to training, game days, and club functions.
7. Demonstrate sportsmanship at all times and in all situations, and especially towards officials of the game and the club.
8. Do not act in a way that has the potential to bring the club and the game into disrepute.
9. Ensure confidentiality is maintained at all times. In particular, where a member holds a senior or leadership position within the club, maintaining confidentiality of club and or player information is paramount. All behaviour should adhere to the privacy and Data Protection Act 2014 (VIC).
10. In addition to these guidelines, the club expects all members to comply with the expectations of the Football Federation of Australia (FFA).
